

# Swine Project Record Book

## Cloverbud - Ages 5 to 7 Years

| Name:                |                             |
|----------------------|-----------------------------|
| Address:             |                             |
| 4-H Club:            |                             |
| 4-H Leader:          |                             |
| 4-H Age (as of 1/1): | Years in 4-H Swine Project: |
|                      |                             |

NC State University and N.C. A&T State University commit themselves to positive action to secure equal opportunity regardless of race, color, national origin, religion, political beliefs, family and marital status, sex, age, veteran status, sexual identity, genetic information or disability. NC State, N.C. A&T, U.S. Department of Agriculture, and local governments cooperating.

#### **Objectives of the 4-H Cloverbud Swine Project**

- To gain experience caring for swine.
- To learn responsibility
- To explore swine breeds and feeds.
- To participate in group activities within a 4-H club
- To learn record keeping skills

#### Things to keep in mind about the Project:

- This project is for the child to explore and discover project areas.
- This project record book will be judged and placed in a 4-H activity. Cloverbud projects are not to be judged or placed in any 4-H activity.
- Participants are highly encouraged to participate at the show in a class appropriate to age group. Cloverbuds will participate in swine showmanship in the Cloverbud class.
- The responsibility of animal ownership should not lie solely with the child, but with the parents also.
- The safety of the child should be the primary concern of this project.

#### Rules of activity:

- Record keeping is from the date of receiving the animal until date of show.
- All project record book and activity books should be turned into the county4-H agent no later than the due date.
- All signatures must be obtained on the front of the record book.
- All work must be done by the submitting 4-H member. Plagiarism is not allowed. Project record books that appear to be plagiarized will be disqualified and ineligible for awards.
- Record books will be judged in their appropriate age categories based on neatness, creativity, involvement in project, and other factors.

## Information on My Project Animal

| 1. | Your pig is a:<br>barrow |  |
|----|--------------------------|--|
|    | gilt                     |  |
| 2. | My pig name is:          |  |
| 3. | My pig isyears old.      |  |
| 4. | My pig likes to eat:     |  |
| 5. | What breed is your pig?  |  |
| 6. | Starting weight was      |  |
| 7. | Weight at show was       |  |
| 8. | Total weight gain was    |  |

## Draw a Picture of Your Pig

#### **Project Story**

With the help of your leader, teen leader, parent or adult helper, answer the following questions about your project.

- 1. The most important thing I learned was:

\_\_\_\_\_

\_\_\_\_\_

2. Things I want to learn more about are:

## Parts of a Swine

Drawing a line to match the parts of a swine with the parts listed below.

Dewlap

Flank

Loin

Hip

Rump

## Housing

| 1. | Wha | t type of housing do you use?     | (Chec   | ck all that you use.)    |
|----|-----|-----------------------------------|---------|--------------------------|
|    |     | Outside                           |         |                          |
|    |     | Shed                              |         |                          |
|    |     | Barn                              |         |                          |
|    |     | Other                             |         |                          |
|    |     |                                   |         |                          |
|    |     | Feedi                             | ng      |                          |
| 1. | Wha | t kind of food does your pig ea   | at? (C  | heck all that you feed.) |
|    |     | Mixed Feed                        |         | Нау                      |
|    |     | Fresh Water                       |         | Other                    |
|    |     | Corn                              |         | Other                    |
|    |     | Vitamins                          |         |                          |
|    |     |                                   |         |                          |
| 2. | Whe | n is your pig fed? (Check all tha | t apply | <i>ı.</i> )              |
|    |     | Morning                           |         |                          |
|    |     | Noon                              |         | A COL                    |
|    |     | Afternoon                         |         |                          |
|    |     | Evening                           |         | IN STA                   |
|    |     | Other                             |         | June 1                   |

#### Do you know?

What one of the above is most important to both people and pigs?

- A. Cane
- C. Waterer
- E. Brush

- B. Pig Trough
- D. Feeder
- F. Pen

#### **Swine Breeds**

Identify the breeds of swine by matching the number on the pictures below with the correct breed name.

## Fun Things To Do

These are things you and your child can do in this project. Discuss each activity with your child and make a check by the ones you decide to do.

- □ Spend time planning your project
- □ Color a picture of your animal
- □ Make an species specific collage
- □ Check out a few library books on your animal
- **G** Go to a show or fair to see how many different breeds you can identify
- □ Watch your animal eat and describe how they eat
- □ Visit a veterinarian's office
- Practice showing
- □ Take a video or pictures of you and your animal
- Visit your local Cooperative Extension Service to pick up information on your animal
- Visit a local farm
- □ Show your animal in a show
