

Important Dates/ Checklist

- Please use this as a guide as to how to participate in the activities of the Livestock project.
- Participants are required to attend 50% (3) of activities/workshops in order to be eligible for the incentive program (see general rules and regulations #15). *All virtual workshops will be recorded for viewing at a later time if needed to gain credit.*
- Participating families that attend committee meetings will receive pertinent information on raising livestock and procedures for the livestock program. Attendees will also be very involved in the planning of the show and sale - parental support of this program is important!
