

Important Dates/ Checklist

- Please use this as a guide as to how to participate in the activities of the Livestock project.
- Participants are required to attend 50% (3) of activities/workshops in order to be eligible to participate in the show and sale (see general rules and regulations #15).
- Participating families that attend committee meetings will receive pertinent information on raising livestock and procedures for the livestock program. Attendees will also be very involved in the planning of the show and sale - parental support of this program is important!
